

# SCHOOL RESOURCES

THINK SMART,  
BE GREEN:  
RECYCLE!

## OUR SERVICES

Our Department offers FREE services to Riverside County schools to assist in compliance with state recycling regulations (e.g., AB 341, SB 1383).

### FREE RECYCLING CONTAINERS

Put waste in the right place! Launch a school recycling program to reduce landfill waste, keep your campus clean, & protect the planet

More info available at [rcwaste.org/school-recycling](http://rcwaste.org/school-recycling)

### FREE WORM BIN KIT OR COMPOSTING BIN

Start a school composting program! Request a bin by submitting a letter from your school principal

### COMPOSTING MENTORS

Got compost? We can assign an Outreach Volunteer to help with your school's composting program

### LANDFILL TOURS

Explore the world of waste management & recycling at the Lamb Canyon landfill in Beaumont, CA

## REQUEST A SPEAKER

Speakers are available at NO COST for classroom discussions on waste reduction & sustainability. Presentations are grade/age appropriate and interactive!

## RECYCLING 1-2-3

## VERMICOMPOSTING

(SEE FREE WORM BIN KIT)

## BACKYARD COMPOSTING

(SEE FREE COMPOSTING BIN)

## FOOD WASTE- FOOD RESCUE

## CLIMATE CHANGE

... AND MORE!
