### **County Waste Department offers DIY Teacup Succulent Reuse Workshop - Saturday**

Join Riverside County Department of Waste Resources for a fun and eco-friendly crafting session! Come to a free workshop to make a Do It Yourself (DIY) Teacup Succulent arrangement to take home and enjoy. A Recycling Specialist will walk you through the steps to make a simple reuse project to upcycle a teacup into a charming planter for succulents. The workshop will be on Saturday, May 11, from 9:00 am to 11:00 am and all materials will be provided at the

workshop. Gently used teacups and mugs for this project were generously donated by the Assistance League of Riverside <https://www.assistanceleague.org/riverside/>.

Register and reserve a spot today for the free workshop at [rcwaste.eventbrite.com](http://rcwaste.eventbrite.com)

The Waste Resources Department offers a variety of FREE environmental education classes related to waste reduction and sustainability. Class instructors provide attendees with professional learning and instructional materials that demonstrate environmental diversion themes such as composting, recycling, and green cleaning. These programs are offered to increase awareness of waste reduction and advantages of recycling to help preserve valuable space in county landfills.

For additional information, please contact Riverside County Department of Waste Resources at (951) 486-3200 or (800) 304-2226, or <https://rcwaste.org/household-hazardous-waste> .
