Idyllwild grinding facility is adding Mondays to its weekday operations, effective May 1, 2017.

The Idyllwild grinding facility will resume Monday operations effective May 1, 2017. The facility will be opened Mondays, Wednesdays and Fridays 8:00 a.m. to 4:00 p.m. (closed noon to 1:00 p.m. for lunch) from May 1, through November 29 2017.

The facility will then close again on Mondays during the winter months (December through April) due to low tonnage volumes and customer participation.

The facility is located at the 5,000-foot marker, one mile south of the Idyllwild transfer station on Highway 243. The grinding facility accepts wood waste affected by the bark beetle. Prohibited waste includes household waste, appliances, e-waste, metals, tires and other hazardous, explosive and medical wastes. Customers who use the facility pay a per-ton rate on pre-paid accounts.
