County Waste Department to host Garden Talk on Water Efficient Landscaping with Riverside County Master Gardeners

Conserving water is part of our daily life in the Inland Empire. Learn easy, water-efficient landscaping practices and learn how you can have a lush garden in an arid climate using beautiful drought plants that grow well in Southern California.

Attend this free Garden Talk presentation by the UCCE Master Gardener Program of Riverside County, hosted by Riverside County Department of Waste Resources. The how-to demonstration will be held on Saturday, October 5, at 9:30 am. until 10:45 am. at 14310 Frederick Street in Moreno Valley.

The Riverside County Department of Waste Resources provides this free classes in an effort conserve resources, reduce waste, and help preserve valuable space in the county sanitary landfill.

To learn more about the 2019 Community Outreach schedule of free classes, or for more information, contact Riverside County Department of Waste Resources at (951) 486-3200 or visit <http://www.rcwaste.org/classes>.
