Christmas tree collection at Riverside County landfills

Christmas trees may be dropped off at a Riverside County landfill at no cost, each Riverside County household can bring up to three (3) trees including flocked trees. Green waste rates will apply to commercial, out-of-county, or loads of more than three trees.

In addition, trees are accepted for curbside collection through your trash hauler. Most trash haulers will collect Christmas trees curbside for two weeks after Christmas. Remove all ornaments, tinsel including the tree stand and place the tree next to or inside the green-waste container on your regular pick-up day. Please contact your waste hauler for more details and specific instructions.

For those without a curbside pickup program, several drop-off locations will accept up to three residential Christmas trees for FREE, see locations and dates below:

- A. Lua Wood Recycling, 18938 Mermack Ave., Lake Elsinore (accepting until Jan. 8)
