Idyllwild grinding facility to operate two days per week

Facility will be open and operational Wednesdays and Fridays until June

As summer weather gives way to cooler temperatures, the winter schedule will soon be in effect for the Idyllwild Grinding Facility. Effective December 1, 2021, the facility will be open on Wednesdays and Fridays from 8:00 a.m. to 4:00 p.m. (closed noon to 1:00 p.m.).

The facility is located at the 5,000-foot marker, one mile south of the Idyllwild transfer station on Highway 243. The site accepts wood waste affected by the bark beetle. Prohibited waste includes household waste, appliances, e-waste, metals, tires, burned debris and other hazardous waste, explosive and medical wastes. Customers who use the facility pay a per-ton rate on pre-paid accounts.
