Riverside County Waste Resources Department to provide free Zero Waste Class on Saturday

Join the Department of Waste Resources for a new online class – Making Your Home Zero Waste. This class is offered to Riverside County residents on Saturday, March 19 from 9 - 10 a.m. No registration is required for this free, virtual class. You may access it on any computer, tablet, or smartphone. Visit our free class schedule for a link to the class: <https://www.rcwaste.org/classes>.

County residents often have questions about how to practice zero waste lifestyles in their homes and workplaces. This class explores the basics of zero waste and sustainability, including instruction on zero waste, waste creation, and strategies for every room in your house. Attendees receive resources and valuable links that will help them implement zero waste practices in their home or in the office. Join and learn how easy it is to become zero waste!

For more information, call a recycling specialist at 951-486-3200 or visit www.rcwaste.org/classes.
