

2023

FREE CLASS SCHEDULE

RIVERSIDE COUNTY

DEPARTMENT OF WASTE RESOURCES

The Riverside County Department of Waste Resources proudly presents our 2023 class schedule! We offer various environmental educational classes related to waste mitigation, recycling, and sustainability. Classes are taught by our expert Recycling and Composting staff virtually or in-person at our headquarters office.

NO REGISTRATION REQUIRED!

Who can attend? **EVERYONE!** Attendees from all educational backgrounds, age groups, and interests are welcome to join. Best part? All classes are **FREE!**

Can't make a class? You're in luck, access our on-demand video classes at any time. Visit www.rcwaste.org/classes or scan our QR code. Additional on-demand videos include: Recycling 1-2-3, Green Wardrobe, Backyard Composting, and Making Your Home Zero Waste.

BACKYARD COMPOSTING, VERMICOMPOSTING, & MAKE YOUR OWN WORM BIN

Location: 14310 Frederick St.
Moreno Valley, CA 92553

Overview: Introduction to composting, using broken down organic materials as a soil amendment. Compost starts at 9 AM followed by vermicompost and make your own worm bin at 10 AM.

FEBRUARY 4 9:00 am **OCTOBER 14** 9:00 am
