Riverside County Waste Resources Department to provide free Zero Waste Class on Wednesday

Join the Department of Waste Resources as we present our online class, Making Your Home Zero Waste. This class is offered to Riverside County residents on Wednesday, March 15th from 7 – 8 p.m. No registration is required for this free, virtual class. You may access it on any computer, tablet, or smartphone. Visit our free class schedule to join the meeting <https://www.rcwaste.org/classes> or link direct to [Webex](#) Meeting Number: 2590 329 6107, Password: kzHpaSxP582.

County residents often have questions about how to practice zero waste lifestyles in their homes and workplaces. This class explores the basics of zero waste and sustainability – what is zero waste, waste creation, and waste reduction strategies for every room in your house. Attendees receive resources and valuable links that will help them implement zero waste practices in their home or in the office. Join us and learn how easy it is to become zero waste!

The Riverside County Department of Waste Resources offers a variety of FREE environmental education classes related to waste reduction and sustainability. Class instructors provide attendees with professional learning and instructional materials that demonstrate environmental diversion themes such as composting, recycling, and green cleaning. These programs are offered to increase

awareness of waste reduction and advantages of recycling to help preserve valuable space in county landfills.

For more information, call a Recycling Specialist at 951-486-3200 or visit www.rcwaste.org/classes.
